Dear Sir/Madam,

I have been an enthusiastic and passionate developer and a creator for a long time. The attached resume will show you my 1+ years of experience as a developer where I learned Search Engine Optimization, Social Media Marketing, PPC etc. I have increased organic search traffic of The Dental Specialist Centre by 75%, and the social media campaign helped them to boost up their annual revenue by 45%. I believe these achievements make me the perfect candidate for the Digital Marketing Specialist at your company.

You can contact me at 254741962195 or mike@mikeowino.com. I'm looking forward to hearing from you. Thank you for your consideration.

Sincerely,

Mike Owino
